

27th Annual Conference
Managing Water Resources In Ever Changing Times—Striking A Balance
CALL FOR PAPERS

Water Quality Professionals, Scientists, Engineers, and Students:

Please consider presenting your important work and research in aquatic resource science and management at the annual Oklahoma Clean Lakes and Watersheds Association conference April 4-5, 2018 at the Wes Watkins Center in Stillwater, OK. The OCLWA continues to expand the conference with concurrent presentation tracks dedicated to your interests. To do this, we need your papers! OCLWA supports a variety of topics including but not limited to:

- Lakes, Streams, and other Limnological Studies
- Non-Point Source Pollution Management
- Watershed Science and Management
- Wetland Science and Management
- Water Quality Modeling
- Fisheries Science and Management
- State and Regional Water Quality Monitoring Programs
- Regional Water Quality Issues
- Invasive Aquatic Species
- Groundwater Science and Management

Presenters must complete this form and submit an abstract of their proposed presentation. Abstracts must be 200 words or less, single spaced, formatted in Calibri 11 point font, and must include title in all caps followed by author(s), and affiliation.

Submit this form along with abstract to Greg Kloxin at greg.kloxin@conservation.ok.gov.

Completed submissions for oral papers are due by March 15, 2018!

You must be registered at the time of the conference to make a presentation!

A skeleton agenda will be posted to the OCLWA website early March, 2018.
Early submission of your abstract is appreciated!

27th Annual Conference
Managing Water Resources In Ever Changing Times—Striking A Balance
CALL FOR POSTERS

Water Quality Professionals, Scientists, Engineers, and Students:

Please consider presenting your work and research in aquatic resource science and management through a professional poster display at the annual Oklahoma Clean Lakes and Watersheds Association conference April 4-5, 2018 at the Wes Watkins Center in Stillwater, OK. Currently enrolled student presenters from accredited colleges and universities will be automatically entered in the **14th Annual Dale Toetz Student Poster Competition** to compete for cash prizes in graduate and undergraduate categories!

Posters must:

- Include a basic format of title, author(s), affiliation(s), introduction, methods, results, and conclusion.
- Velcro to a 36" H X 48" W foam board (no clips or tacks)
- Present in adequately sized and legible font
- Be submitted in pdf format by close of business, March 23, 2018

Presenters will be required to stand by their posters during a prescribed viewing and judging period TBD. All posters will be accommodated for display throughout the meeting.

Presenters must complete this form and submit an abstract of their proposed presentation. Abstracts must be 200 words or less, single spaced, formatted in Calibri 11 point font, and must include title in all caps followed by author(s), and affiliation.

Submit this form along with abstract to Ray West at rwest@cityoftulsa.org

Completed submissions for posters are due by March 15, 2018!
