

26th Annual Conference
Value of Informed Water Quality Management
CALL FOR PAPERS

Water Quality Professionals, Scientists, Engineers, and Students:

Please consider presenting your important work and research in aquatic resource science and management at the annual Oklahoma Clean Lakes and Watersheds Association conference April 5-6, 2017 at the Wes Watkins Center in Stillwater, OK. The OCLWA continues to expand the conference with concurrent presentation tracks dedicated to your interests. To do this, we need your papers! OCLWA supports a variety of topics including but not limited to:

- Lakes, Streams, and other Limnological Studies
- Non-Point Source Pollution Management
- Watershed Science and Management
- Wetland Science and Management
- Water Quality Modeling
- Fisheries Science and Management
- State and Regional Water Quality Monitoring Programs
- Regional Water Quality Issues
- Invasive Aquatic Species
- Groundwater Science and Management

Presenters must complete this form and submit an abstract of their proposed presentation. Abstracts must be 200 words or less, single spaced, formatted in Calibri 11 point font, and must include title in all caps followed by author(s), and affiliation.

Submit this form along with abstract to Greg Kloxin at greg.kloxin@conservation.ok.gov.

Completed submissions for oral papers are due by March 3, 2017!
